Dear Tim,

Manufactured Homes Insurance Agency (MHIA) would like to extend its thanks to you for an incredible night of entertainment at our staff function at Foresters Resort on 19th April 08.

You can have a great venue, and great food, but if the music is below par, it just doesn't work.

The feedback from my staff and families has been very positive, with the only negative being that you were not on for long enough!

We would have happily paid for you to go on after the midnight curfew.

Thanks for learning the 2 requests especially for the night – this impressed my wife as one of the songs was requested for her!

My sincere thanks in making our night a memorable one!

Kind Regards

Phil Nossiter
Chief Executive
